..... with Fdl No 6378/27 III

Below U.O.R. No. 3638-36/13154 dated the 3rd June 1939, fr from Government in the Public Works Department.

No. D 13/ 1208 of 1939.

Bombay , 30th June 1939.

Returned, with compliments.

2. All the Supply Companies concerned have now agreed to my proposal to allow depreciation at 4 per cent on the capital value of the installations. Plans and estimates for purchasing the installation at the depreciated value are being forwarded to the Supply Companis for their approval, and on their receipt they will be submitted to Government. In the meantime, instructions have b been issued to the Supply Companies, including thee Jalgaon Electric Supply Co., Ltd., to hand over the installations to the Executive Engineer, Electrical Division, Bombay, as from the 1st July 1939.

Bombay, 3rd August 1939.

In reply please quote without fail No. D 13/1683 of 1939.

From

THE ELECTRICAL ENGINEER TO GOVERNMENT,

Public Works Department,

BOMBAY;

To

The Secretary to Government,

Public Works Department,

Bombay.

Sir, Re: Purchase of electric installations in the Government Buildings provided by the Supply Companies at their own cost.

In continuation os this office No. D. 13/1208 dated the 30th June 1939, I have the honour to state that all the electric installations in the Government buiildings provided by the Supply Companies attheir own cost have been taken over as from 1st July 1939. Detailed plans and estimates for purchasing the electric installations have been approved and contersigned by the Supply Companies in the majority of cases; some few remaining are under correspondnce.

The are 69 individual installations classified under the various minor heads, and the cost of each of them is below Rs.10,000/- I, therefore, propose to treat these works as minor works and make payment for the cost of purchase immediately, in view of the fact that all the installations have been taken over from 1.7.1939 and the Supply Companis are pressing for payment. A list of all the installations taken over, togther with the cost, will be submitted to Government when all the claims are settld, for allotment of funds for each specific work. The total cost of the works will not exceed the buget provision of Rs. 49,500/- .

Very early orders are requested in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Sd/-

Electrical Engineer to Govt.

3638/36
18332

M.B.) Office Note.

In accordance with the scheme approved in G.R. No. 6378/27, dated the 20-12-35 certain Govt. bldgs. in this Province were electrified at the cost of Supply Coys. In accordance with condition No. 6 of the conditions laid down in G.R. quoted above Govt. decided to exercise its right to take over the installation in such bldgs. from supply Coys. The valuation of the installations put up by the Supply Coys. has accordingly been made by the El. Engr. to Govt. in consultation with the Supply Coys. and all the installations have been taken over by Govt. from Supply Coys. from 1.7.39. The El. Engr. to Govt. estimated that Rs. 49,500/- would be required and the same amount was provided in the current year's budget as new major work vide Item 45 at p. 322 of the budget.

2. Although the scheme as a whole is treated as a major work, it is made up of 69 different items of electric installations each costing less than Rs. 10,000 and thereofreach item is a minor work. As the installationss have been taen over from 1.7.39, the Supply Coys. which have already agreed to the El. Engrs. valuation are pressing for payment. The El. Engr. to Govt. therefore proposes to treat each item of electric installation as minor work and make payment to the Coys. In the circumstances stated above the proposal seems unobjectionable and may be approved after u.o.r. to The F.D.

Sd/- Thro . A.B.
5.3.39.

3. Provision in the Budget is made under the minor head "This Deptts" and the only effect of the El. Engr's proposals, so far as funds are concerned, will be that reappropriations will have to be sanctioned from the minor had "This Deptts" to the several

minor heads under which the items will be classifiedtion

Sd/-
7.8.39

The El. Engr's to Govt's proposal seems reasonable and it may be approvd after rference to the F.D.
